By Having a Powerful Marketing System In Place

FOLLOW THESE METHODS &
EXTREMELY INCREASE YOUR
EXPOSURE IN YOUR MARKETPLACE
WITH NO INVESTMENT.

First look at Complimentary Industries and see who you can develop a mutually beneficial partnership with in regards to setting up referral programs.

Example of this would be Painters working with Gutter Installers for 5% Gross off of referred sales every quarter.

Also with those Complimentary Industry businesses you can ask for access to their customer list in exchange for a % of the sales that come from a sales message that you send to them.

Make a list of all Complimentary Industries you can do this with as you will find there are usually more than 10 with numerous businesses within them that can be contacted.

Sponsor an event. Look up local neighborhood events and contact the coordinators and ask to provide your services for free or at discount.

Contact the local news and let them know about any new promotions or ideas that may generate interest for your business.
